

Medicaid Overview

Jennifer Strohecker
State Medicaid Director
Director, Division of Integrated Healthcare

What is Medicaid?

- Medicaid provides comprehensive health coverage to hundreds of thousands of Utahns, including eligible low-income adults, children, pregnant women, elderly adults and people with disabilities.
- Medicaid is administered by states, according to federal requirements.
- The program is funded jointly by states and the federal government.

Medicare / Medicaid Coverage Overview

Medicare

- Federally funded/operated
- Nationwide coverage
- Mostly benefits
>65 years of age and
individuals with disabilities
- Participants pay
